Waubun, the name of our annual, has a special meaning for our school. The name is an Indian word meaning "dawn of day." For us, as students in high school, Waubun, symbolizes an awakening from the darkness of ignorance to the dawn of knowledge and understanding.

We, the class of '57,
dedicate this edition of
the Waubun to our true
friend and teacher, Mr. C.
J. Casper, who through his
untiring efforts and time has
made the speech program in our
school a success.

The Waupun High School Mixed Chorus this year consisted of 65 selected students from the four grades. They sang under the direction of Miss Ann Seibel and were accompanied by Beverly Veleke.

This spring the chorus was co-host with the band to the East Central Wisconsin District Music Festival. The chorus entered the Class A division for the mixed choruses.

Last fall eight chorus members represented Waupun in a mass chorus of 500 voices at Fond du Lac. The chorus sent two representatives to the Mid-Winter Music Clinic at Madison. These two students also sang in an All-State Chorus, selected on the basis of their performance at the State Music Festival the preceding spring.

The chorus presented its annual concert of sacred music at Christmas. The chorus social calendar also included a party and sponsoring a dance.

Amid furious last minute writing, typing, and mimeographing, the Waubunette, Waupun High School's contribution to the field of journalism, managed to roll off the presses every two weeks. Responsible for its publication were the reporters, artists, typists, and business and production crews which comprised its staff.

The object of the staff's activity was the distribution of the news, which ranged from wrestling matches to choral concerts. "Elmeria" and "Scoop Says" were two of the regular columns featured in the 1956-1957 edition of the Waubunette, and "What Do You Think?" a column of public opinion, was introduced this year.

Editor Linda Mugridge and Assistant Editor Marlene Riedeman were aided by Judy Powell and Katherine Stoddart, crew chairmen.

Organization of the staff took place in the spring of 1956. The final deadline was met on March 8 this spring.

The staff, its adviser, Miss Lippoldt, and Mr. Holmes, the photographer, put in a lot of time and work during the year to make this annual a big success for all of you. It is hoped that you will enjoy it as much as they enjoyed producing it.

Each year nine junior boys are selected by the faculty to be Junior Rotarians. These boys are club members for one month.

Each Tuesday during his month, the Junior Rotarian goes to the luncheon meeting of the Rotary. At the first meeting of the following month he introduces the next Junior Rotarian. The program for the final meeting of the school year is presented by all the Junior Rotarians.

The Waupun Keen Kutter Hi-Y Club consisted of twenty-five boys from the junior and senior classes. The purpose of the Hi-Y is character guidance and improvement.

The year's agenda included an initiation ceremony, swimming, a Christmas party, a volleyball tournament, a winner-loser banquet, and several guest speakers.

The Service Club was a new organization this year. The main duty of the organization was to sell and take tickets at school functions such as football and basketball games, plays, and so forth. They also took care of ushering at Graduation and acted as guides for the P.T.A. open-house. The club had twenty-five members from grades nine through twelve and usually held meetings twice a week.

Dramatics Club was a new organization to Waupun High School this year. The purpose of this organization is to give practical experience in the interpretation and production of plays and to encourage appreciation and interest in better drama among high school students.

Activities such as seeing a Wisconsin Players' production were enjoyed by the members. The production of plays gave an opportunity to be on working crews, as well as to try acting ability. Play readings, movies, or demonstrations were a part of most business meetings, held every other week.

DEBATE

Fifteen W.H.S. students used their vocal chords to good advantage this year by joining the debate squad. The A, B, and C debate teams argued the proposition, 'Resolved: That the federal government should sustain the prices of major agricultural products at not less than 90% of parity.'

The A and B teams attended three invitational tournaments, and the C team took part in numerous practice debates. The A team also attended the Little Ten Tournament in Hartford. The district, sectional, and state tournaments climaxed the debate season.

Forensics has always been an activity which has attracted many students. Winners of the local High School competition go to the Little Ten Contest. The A rated students have an opportunity to go to District and perhaps to State Contests. Four minute speech, extemporaneous and interpretative reading, original and non-original oratory, extemporaneous speaking, and humorous and non-humorous declamation are the divisions in which students may participate.

"Toward New Horizons" is the motto of the Future Home-makers of America. Members all over the nation attempt to make life in their homes, schools, and communities better and more enjoyable.

Last year the Waupun F.H.A. members actively furthered many of these aims by working together on many local chapter projects. One of the highlights of the year occurred when the Waupun girls were hostesses to the State F.H.A. Officers.

"To practice brotherhood, honor rural opportunities, and to develop those qualities of leadership which a future farmer should possess" is the motto of the F.F.A.

During the course of the year the International Livestock Exposition was attended by most of the boys, but the high point of the year was the annual father-son banquet held in the last part of February. Another activity was the participation of two teams in the basketball Youth League.

This year the Library Club was larger than it has been for many years. The girls were responsible for many duties in both the high school and grade school libraries. Among the activities of this organization was the Annual Signing Party which they introduced two years ago and have sponsored each year since. The members also attended a Library Work Shop this year.

The Future Teachers of America is an extra-curricular organization, established for the purpose of giving interested juniors and seniors a chance to study the various fields of education and the advantages and disadvantages in each.

Studying different colleges and universities, having speakers on various topics, and applying practical experience in the elementary schools were some of the highlights of the year's work.

The W Club, consisting of 24 athletes who have been awarded a letter in either football, basketball, baseball, track, golf or tennis, held meetings every other Thursday throughout the year.

Its primary purposes are to create and promote interests in athletics, to promote sportsmanship and good behavior at athletic contests and to raise money for partial payment of the W Club jackets which are awarded annually to the senior members.

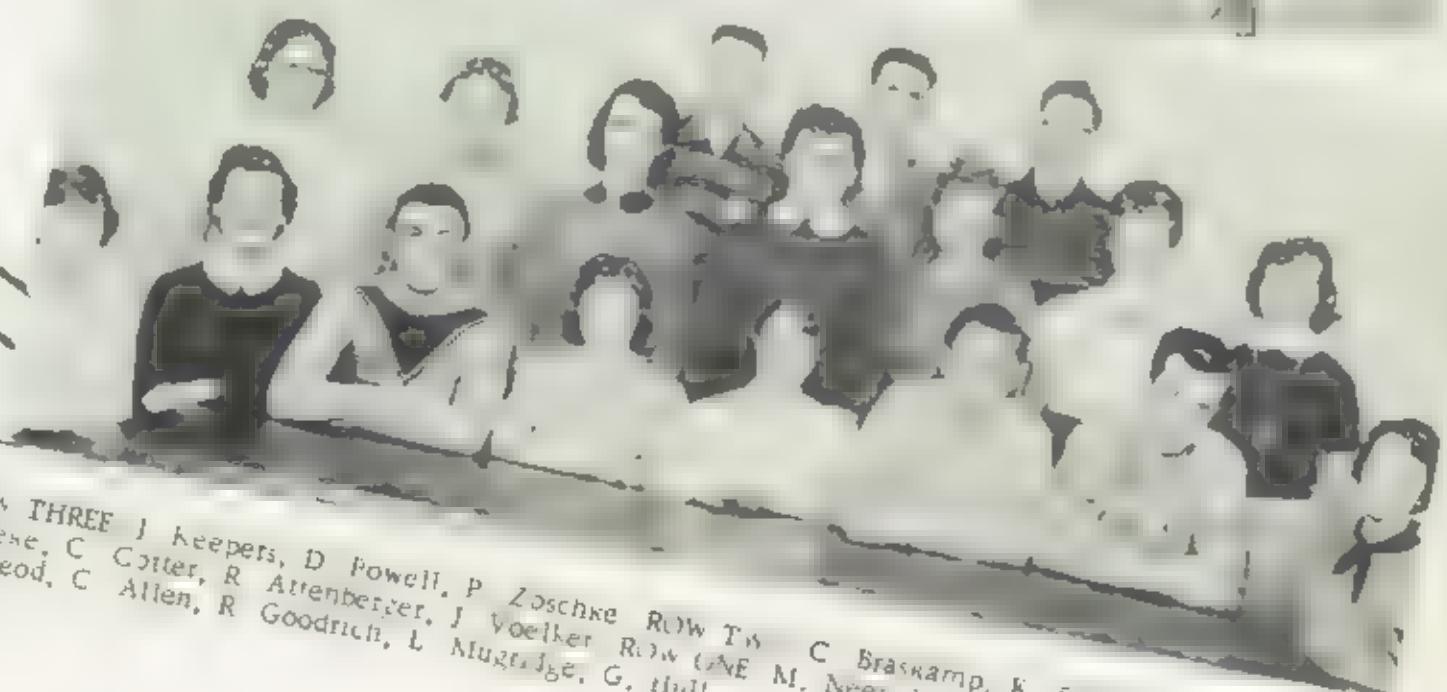

Students from each home room were chosen by their classmates to represent them in the student council. They tried to work out problems of the student body with their adviser, Mr. Gadbaw, and the faculty.

Some of its main activities were inspecting lockers, sponsoring the Alumni basketball game and dance, and helping to plan the assembly program for the next year.

The Girl's Athletic Association is a recreational sports organization for sophomore, junior, and senior girls. Over fifty members participated in the various activities which include field hockey, volleyball, basketball, table tennis, archery, and softball. Tournaments for these sports were organized by a sports chairman.

The outstanding project of the G.A.A. for 1956-1957 was the planning and sponsoring of a playday for all G.A.A. organizations in the Little Ten. Seven schools participated in this event which was held on December 10. Activities during the day included folk dancing, basketball, table tennis, shuffleboard, volleyball, and an Apache Relay.

The officers were Pat Kaiser, president; Judy Olson, vice-president; Helen Riedeman, secretary; Connie Allen, treasurer; and Jane Barkley, activities chairman. Mrs. Moroni was the faculty advisor.

Dennis Atkinson and his queen, Carol Dehring, reigned over the 1956 Junior Prom. Small sidewalk cafes of Paris and the Eiffel Tower made up the theme, "April in Paris." Howie Bowe and his orchestra furnished the music for dancing from nine to one. The juniors worked hard on their prom and the success of their work was clearly shown by the sale of tickets to one hundred and ten couples.
